

PORTER TOWNSHIP
CASS COUNTY, MICHIGAN

AGENDA PLANNING

Agenda Planning Meeting April 3, 2018 3:30 p.m.

Meeting called to order at 3:30 p.m. Trustee Wylie opened with the pledge to the flag.

Roll call taken: Croninger and Wylie, Harman, B. Russell, Marlow and M. Russell both absent

Discussed items for the Agenda.

Discussed: Road and what contracts need to be signed. The contract for the folding machine is up will need to renew it. Any land splits that arrive by next week will be discussed.

Discussion: New Business will be the new sewer procedures, the board will also discuss the ZBA and how to proceed with them since they are not responding to any inquiries about the 2 appeals they have waiting. Clean up day will be discussed and if it is still something the township still wants to do, Kiner made a comment maybe we could change this to people in Porter Township getting a dump pass instead of a cleanup day, this will be discussed further at the regular meeting. Harmon will bring fees to compare the cost

Other issues:

Asked for public comments. S. Kiner would like to put in a gate to her property due to multiple dumping on her property. It was advised as long as the sewer people can get to our equipment it should not be a problem this will/can be discussed further at the meeting

Motion made by Wylie and supported by Harmon to adjourn. Motion carried. Meeting adjourned at 3:58 pm

*Beth Russell
Porter Township Deputy Clerk*
