Alwine asked to give his report first to he could be excused for the rest of the meeting. He gave his report and the building in Union is down. Still have a few things he is working on.

Need to look at the Wetlands Ordinance again and have inserted into it that DEQ must be applied for first before coming to the Township. The application needs to be changed.

Discussion held on what roads we need to work on this year. Will email the list to the Cass County Road Commission.

Discussed further items for the Agenda.

Need a resolution in regards to the establishment of the Planning Commission as this needs to be redone per notification from the State.
