

PORTER TOWNSHIP
Budget Meeting

March 11, 2019

The meeting was called to order at 10:00 am by Supervisor, Marlow with the pledge to the flag.
Roll Call: Present were, Marlow, Croninger, Wylie and Russell. Harman Absent.

The budget was presented by Marlow. It was advised that a 5% raise for the board and all clerical staff be accepted. There was an opinion that they should not accept this due to that the board just got a raise 2 years ago. There was also a question of why there is a need for fencing around Long Cemetery, Russell advised them this is due to people driving through the center and over headstones. Three mistakes were on it that Marlow will fix.

Motion made by Marlow with a second by Wylie to adjourn. All in favor with Harman absent. Meeting adjourned at 11:05 am
