Alternate: Terry Dugan

November 17, 2011 7:00 PM

Rev: 12/15/2011

In Attendance:

Absent:

Kline

Dugan

Bryant

Wylie

Robbins

Williams

Pledge of the flag

We had one visitor: Randy Welch.

Motion was made by Bryant to approve minutes from June 23, 2011 Wetland meeting and Williams seconded. Motion passed.

The Township received letter of resignation dated July 6 from Kline as chairperson but to remain a member. Williams made motion to accept and Bryant seconded. Motion passed.

Williams made motion to nominate Wylie as chairperson and Bryant seconded. Motion passed.

**New Business**

Wylie passed out several items concerning Matt Koscielski's wetland application.

1. Application permit
2. Roger Cripps Excavating Proposal

3. Survey drawing locating the house on lot (shows that A wetland is 43 feet away from proposed foundation and construction process will not be in wetland)
4. Wetland A & B map
5. Letter from DEQ dated Sept 27 2010
6. Big foldout (Stephenson Land Surveying TOPO Survey) 2/16/11

We had some discussion on above information and Wylie suggested we all go and visit the site where the road and sewer will be on the lot. He also said DEQ will do a delineation on area B next. Williams requested a third level delineation of not only Area B, but also Area A and the entire lot in question done by the DEQ or certified DEQ consultant.

Robbins moved to adjourn meeting, Williams seconded. Motion passed.

Respectfully submitted,

Tom Robbins
