*Discussion: DuFour addressed the Cemetery issue of letting Stamp-Davis put her parents stone in a way that is not in accordance with the Ord in place, the board was under the understanding that she would only be able to put the stone the way she wanted if all plots in that section were purchased by Stamp-Davis that way the stone could be put in the middle of all of the plots and would not hinder any other sections. DuFour advised that a Tom Stamp has already inquired about purchasing the rest of the plots in that section. As such the amended motion was not met from the January meeting which was that all 8 plots had to be purchased before the stone could be set the way she wants it, this must be met before the stone can be placed.*

*Other issues: Croninger advised she has sewer bills of \$66,973.07 Wylie made a motion with support from Marlow to pay the bills all in favor motion carried.*
