Old Business

Minutes of February 18, 2019: Williams moved and Robbins seconded to approve the minutes as presented. Unanimous vote to accept.

New Business

1. Election of Officers

Volunteers were requested for officers: Robbins volunteered for secretary and Wylie volunteered for chair. They were voted for approval and motion passed for both by unanimous vote.

2. Wetland Permit Application, Thomas Delano 70000 Treasure Island Dr.
14-120-216-004-30

A long discussion was held on the subject application with Wylie using the computer (on/off) showing the details. Most of discussion was about the 25-foot buffer zone and how the new house footprint overlapped a little with the deck and screened-in porch.

Dungan moved and Williams seconded that The Wetlands Committee recommends to the Porter Township Board that a permit be issued to Thomas DeLano, 162 N. Elmwood Ave, Oak Park, Il 60302 with the following stipulation:

1. The current allotted buffer will remain the same dimensions and properly landscaped following construction.
2. The current wetland border will be defined by organic (planting) or fencing.

The motion passed: Dugan yes, Robbins yes, Williams yes, Wylie yes

Wylie moved to adjourn meeting, Williams seconded. Motion passed.

Respectfully submitted,
Tom Robbins
