CORRESPONDENCE

Correspondence via email was received from township attorney and township supervisor. These will be discussed during the Old Business & New Business portions of the meeting.

OLD BUSINESS

- Request for a lake to be designated a “No Wake” lake must follow EGLE procedure:
 - i) Residents of the lake wanting a “No Wake” designation needs to petition the DNR.
 - ii) DNR will do a study and hold a public hearing and notifies the Township of the results.
 - iii) The DNR will develop the ordinance and notify the Township for adoption of the ordinance in its entirety,

■ **Shady Point Campground**

The Planning Commission has approved going forward with a PUD ordinance specific to Shady Point Campground. Motion made by Nagy and seconded by Barhydt. Motion passed unanimously.

NEW BUSINESS

■ Proposed Bubbler Ordinance

The township board asked the planning commission to review the proposed Bubbler Ordinance as edited by the township board. A discussion was held, and several suggestions were made. Nagy will provide a detailed list of these suggestions to the township supervisor.

It was noted that these are suggestions only as the Planning Commission has no authority over police power ordinances as the proposed Bubbler Ordinance is a police power ordinance

Meeting was adjourned at 7:00pm with a motion to do so by Russwurm and seconded by Niblock and passed unanimously.

Respectfully submitted,

David Nagy for Patrick Williams, Secretary
Porter Township Planning Commission
