To all Porter Township Homeowners in the Sewer District:

As the Porter Township Board and the Porter Township Sewer Board have been working on the 2022-2023 budget for the Sewer it has been determined necessary to increase the monthly sewer rate. The last increase was in 2014 and costs have increased substantially since then.

Effective April 1st, all accounts will be increased by \$3.50 per REU for operations/maintenance portion of the bill. For example, 1 REU currently charged \$57.00 will be \$60.50 monthly. For 1½ REU \$85.50 will be \$90.75 and 2 REU \$114.00 to \$121.00.

If your account is being paid with automatic monthly withdrawals (ACH), we will arrange with our bank to increase the withdrawal amount. If you are using on-line banking, please adjust the monthly amount accordingly. For any questions, please contact our sewer department at sewer@portertownship.org or my office at treasurer@portertownship.org. The Township offices are located at 69373 Baldwin Prairie Road, Union MI 49130.

Porter Township is open Monday through Friday from 10am – 12pm and 1pm to 4pm.

Thank you for your cooperation in this matter,

Helen Croninger
