6. A special permit is first obtained for a period of not to exceed 30 days from the Township Board to be granted only in hardship cases beyond the control of the applicant, where special circumstances exist, where no adjoining property owner is adversely affected thereby, and where the spirit and purpose of these regulations are still observed. A special permit granted hereunder may be renewed for not more than two additional 30-day periods upon a showing of due diligence and continued satisfaction of the criteria set forth above for the issuance of the initial permit.

## B. VEHICLES AND MACHINERY

No person shall park or store or permit to be parked or stored outside of a fully enclosed building upon any public or private premises owned, leased, rented, occupied or possessed by such person, any vehicle which is inoperable or which is not currently and validly licensed for operation upon the public streets, or any inoperable machinery, including a vehicle or machinery for sale, or any new or used vehicle or machinery parts, unless one or more of the following conditions exist:

3. Such vehicle or machinery or parts thereof are located in a duly licensed and properly zoned junkyard, salvage yard, or new or used car or machinery dealer's lot or storage yard, where such uses or operations are legally authorized under the Porter Township Zoning ordinance, and are conducted in conformance therewith.

    - (1) There are special circumstances beyond the control of the applicant that make it unfeasible or impractical to locate the modified vehicle in full compliance with these requirements;
    - (2) No adjoining property owner will be materially adversely affected by the waiver;
    - (3) The spirit and purpose of these regulations will still be observed.

A waiver granted pursuant to this section shall be in writing and may include any conditions (including limits on the time length of the waiver) reasonably deemed necessary by the Township Board to assure satisfaction of the aforementioned standards.

7. Such vehicle is for sale by the owner or occupant of the premises; provided that not more than any one such vehicle may be allowed upon any premises at any one time pursuant to this subsection, and provided that such vehicle shall at all times comply with all of the following restrictions:
